The Palm Springs Dance Project, in collaboration with the Palm Springs Cultural Center, presents the 2023 Communities' Finest Dance Showcase, an evening of live dance with a diverse range of groups and dance styles. It is a family-friendly presentation that invites the entire community to join in this extraordinary experience!

Darcy Carozza, the Dance Project's executive director says "We are thrilled to partner with the Cultural Center and finally bring this community dance program back to the theater after a Covid-19 break. We are so pleased with the variety of dance styles and cultures represented in the show, and that we can offer admission at incredibly low prices."

Dance is the joy of movement, the freedom of expression and the heart of life! The celebration of desert and surrounding region's finest dance is on May 20 at 5:00pm at the Palm Springs Cultural Center. This performance is unlike any other, you will experience Belly Dancing to Ballet, Hawaiian to Hip-hop, Musical Theater to Persian dance, with youth and adult performances, and a show woven together with creative

projections and film clips, included snippets from last year's community dance film project "The Anniversary".

**TICKETS: \$15 Adults, \$8 Youth, with Children 6 and under FREE!** Available at [palmspringsdance.org](http://palmspringsdance.org). Proceeds, in part, help support furthering the development of local youth and community dance and music programs.

**PALM SPRINGS DANCE PROJECT** is a grassroots collaborative nonprofit fostering a thriving dance community in the Coachella Valley and beyond, through education and live performance. The transformational power of dance and movement enhances the quality of life and is empowering for underserved youth.
