Palm Springs Dance Project Presents A Never-Before Experienced Immersive Event And A Day of Master Classes Taught By Visiting Dance Professionals

The MAIN EVENT - *The Connoisseur Club*

Artistic Director Stephen Agisilaou has created a special evening "to tease and surprise" the senses. Saturday, November 19, 2022, at 8:00pm Indian Canyons Golf Resort – Clubhouse at 1100 Murray Canyon Dr., Palm Springs. *The Connoisseur Club* is an original Palm Springs cabaret that is a combination of art and culture and features expressive, divergent, contemporary dance and will live for one night only. With multiple performance locations throughout the venue it will be as if the whole venue is a stage, and no matter where you are seated you will have a full, unique, and individual experience.

Select a signature drink from the open bar, mingle and enjoy surprising moments and photo opportunities during the reception. While seated at intimate tables of 8 enjoy a champagne toast, and gourmet nibbles, while a stunning cast of 14 dancers, both local and from around the country, stoke unusual awe and wonder in you. You may reserve a table of 8, or reserve an individual seat at an open table. Either way, get lost in a creative world of music, dance, and drama and support the local dance scene.

Sunday, November 20, 2022 four masterclasses instructed by the Connoisseur Club professional choreographers are being made available at unheard of prices. \$5.00 for youth, \$10.00 for adults, thanks to the generosity of the Western Wind Foundation, the Grace Helen Spearman Foundation, the RAP Foundation and many kind donors, who's donations subsidized the cost of the program. Tickets must be purchased online, in advance. Classes will be held at the Palm Springs Recreation Center Dance Studio located at 401 S. Pavilion Way, Palm Springs. Classes offered are at intermediate level from age 12 through adult: contemporary, jazz, lyrical and for all dance levels - salsa partnering! For details on instructors and classes and for tickets go to PSDanceProject.org/education.

Coming up on December 17 Palm Springs Dance Project will collaborate with the Palm Springs Cultural Center, the Youth Training Orchestras of America, and the CV Philharmonic to produce "A Twisted Holiday Tale". An all-new retelling of the Pied Piper of Hamelin through an innovative

combination of live music, creative story-telling, and interpretive contemporary dance (featuring the InMovement Dance Company). The performance brings the classic tale of the consequences of promises broken back to life with a brilliant mix of symphonic classics and contemporary pop hits and fluid, theatrical contemporary dance performed by talented local student dancers.

Tickets available through PSCulturalCenter.Org, PalmSpringsDance.Org, Eventbrite, and the Cultural Center Box Office.
